

STIRIEVENIMENTE

Oracle Customer Services Day

Bucuresti - Hotel Intercontinental 18.02.2010 00:00

Optimize your Oracle investment now and drive down total cost of ownership with better utilization of Oracle services and tools.

Information technology leaders face unprecedented pressure to optimize existing solutions, generate greater efficiencies, and maintain an agile IT infrastructure that can respond to changing business priorities.

Thursday, February 18, 2010

9:00 – 12:10

Intercontinental Hotel
21-st floor, Fortuna Hall
Bucharest

Oracle Customer Services Day is a half-day session with practical examples to help companies like yours drive increased value from their Oracle investment. Many times, customers aren't even aware of the Oracle resources available as part of their Oracle Premier Support subscription. These information-rich working sessions feature services, technologies and best practices to illustrate how you can:

- * Lower Total Cost of Ownership – Drive down labor costs through better systems management and maintenance across the entire IT solution lifecycle
- * Minimize Business Risk – Leverage industry and Oracle best practices to optimize results
- * Improve Business Value – Drive better business results through better software utilization

Come meet with your peers and Oracle service executives as we discuss how you can better leverage services and your existing Oracle investments to gain greater efficiencies in your organization. See how Oracle Customer Services are helping thousands of customers get ahead and stay ahead in these challenging times.
